Educational Trip to Kidzania

KidZania is an indoor realistic educational environment that allows kids to experience what comes in the adult real life. Children perform real jobs and they are being paid for their hard work.

Article by Sebastien.

'In Kidzania, I was able to become a paramedic where in I have learned how the medical equipment works and there usage. Then I became a fireman where in I learned about fire safety rules and firefighting vehicles. Later I went to TNT for my next job. I have experienced delivering parcels to different institutions within Kidzania. Doing all these jobs I have earned money where I have deposited as savings.'

Primary concert

After weeks of grueling practice sessions, The Primary concert, an annual event, was held on April 28, 2014. The event, called "Ice Maiden", showcased the immense talent possessed by the children of TWS, who danced and sang to some popular songs from the movie FROZEN. Needless to say, the event was a huge success!
