Nabila

Make each day your masterpiece.

Curriculum

English: We are learning to write a book review.

Math: We learnt about Multiplication, Division, Rounding, Doubling, Angles, Directions and Weight. World Math Day went on very well. We all did different activities on Angles. We did a role play and made different positions showing the angles.

Science: We learnt about different sources of light and how shadows are formed. And now we are learning about properties of rocks. Enjoyed investigating which are permeable and impermeable rock and which are hardest and softest rock.

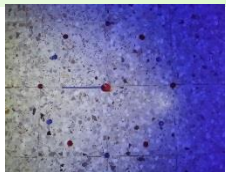

Geography: We are learning about Electronic mail. Now we know to send and receive e-mails.

WEBSITE OF THE MONTH

WEBSITE OF THE MONTH

http://www.eduplace.com/kids/hme/k_5/grammar/ this webpage for Kids of primary school can learn various parts of grammar through quiz

<http://www.topmarks.co.uk/maths-games/5-7-years/measures> This site has great math games.
